Subject: Academic Session 2020-21

Dear Parents,

On behalf of the Management and the members of staff of The New Public School, I welcome you to the new Academic Session 2020-21. We wish you and your family a healthy and prosperous life!

Academic Session 2020-21 was to commence in the first week of April but due to the unfortunate pandemic COVID-19 and for the prevention of its harmful effects, a lockdown has been imposed on the whole country. To avoid loss of academics during the lock down period, the staff is taking online classes and teaching the students. We seek your cooperation in ensuring that they remain regular and work diligently on their lessons.

Due to the uncertainty prevailing over the ongoing lockdown and to avoid any loss of academic working days the school management has decided to re-schedule the summer vacation. Thus the period from 1st April to 16th May 2020 is hereby declared as summer vacation this year.

We are pleased to inform that for the convenience and safety of parents the payment of school fee can be made online. Please visit [www.npschd.com](http://www.npschd.com) or download the School ERP app "My CampusLIVE" from Google Play Store. Alternatively, use the link <http://www.mycampus.cloud/Login.aspx> to pay online. User names and passwords have already been sent to your registered email ids. If you have any queries, please mail the same to [info@npschd.com](mailto:info@npschd.com) with student's admission number.

Furthermore, we are pleased to inform you that during these troubled times of the pandemic we here at the new public school, in association with the Independent Schools Association, are running a community kitchen in the school mess - cooking and packing meals for 1500 people every day to be distributed by Food and Supply Department, Chandigarh Administration.

We take this opportunity to thank you for the support and cooperation you have always extended and hope you will join hands with us to provide the best education to our children.

In case of any difficulty please contact the class teacher who would assist you at all times.

Regards,

  
R.D. Singh
